

## BE THERE FROM ANYWHERE

Silver Maple Solutions offers peace of mind by providing you the best remote safety and wellness monitoring solutions for seniors on the market today.

## GET CONNECTED

Silver Maple Solutions serves the entire circle of care, from family members and caregivers to community care plan coordinators and healthcare professionals; keeping seniors safe and giving everyone peace of mind. Give 24/7 care, even if you aren't there.

## SOLUTIONS

-  Remote Caregiving
-  Chronic Care Management
-  Active Senior
-  Fall Prevention + Detection
-  Emergency Response
-  Social Isolation

## HOW IT WORKS

- 1 Your local Silver Maple Solutions consultant provides a free consultation to determine what technology is right for you.
- 2 The solution is delivered to you ready to go and if configuration is necessary, we handle everything needed.
- 3 Your SMS consultant trains the circle of care to make sure everyone is comfortable and happy.
